REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 2-11 are allowed.

Applicant's amendment cancels the rejected claim-12 that overcomes the rejection in the last office action, and conditions the application for allowance. An updated search did not result in any new prior art that either teaches or fairly suggest applicant's method of making the specific $\text{ZrO}_2\text{-Sc}_2\text{O}_3$ by the combination of the process steps and the components processed therein. Further, applicants show unexpected results (Table-1) in making the composition by a combination of pressure and temperature of treating the component mixture.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to KALLAMBELLA VIJAYAKUMAR whose telephone number is (571)272-1324. The examiner can normally be reached on M-F 07-3.30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stanley Silverman can be reached on 5712721358. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
